

EELLSS Award 2017

European Soil Sciences Projects

Have you ever carried out a soil related project or do you have a project idea but have simply lacked the opportunity to carry it out? Then here is the chance to tell us about it and even win a prize!

The EELLSS project consortium invites you to submit projects, concepts or ideas on practical and problem based soil projects in European schools.

Please use this form to describe your project. Make sure to fill in all text fields.

Co-funded by the
Erasmus+ Programme
of the European Union
