

EELLS on World Soil Day December 5th 2016

We hope you and your classes will join our World Soil Day event on social media!

The idea is to introduce your class to the other school classes on December 5th. For example by posting a comment, posting a group picture or by letting your students make a short movie in which they will present themselves. Whatever suits you and whatever time allows. Be creative!

When you need any help, feel free to contact Eefje (e.smit@fontys.nl) or Tuğba (tinanc@odtugvo.k12.tr) or contact us through Social Media.
